*May 24, 2011*

*Dear Hunter Mill Friends,*

*Tuesday's Board of Supervisors meeting was relatively short and contained many regular agenda items. We heard about an innovative program to reuse treated waste water for irrigation on our golf course and to cool the waste-to-energy facility, thereby creating saving in costs and preserving some of our drinkable water. We are looking forward to our next Board meeting on June 7<sup>th</sup> when we honor our Lords and Ladies of Fairfax.*

*With the coming of summer come the wonderful seasonal programs for you to enjoy. Hunter Mill Melodies, my free summer concert series, opens the season on Thursday, June 2<sup>nd</sup>, 7:30 p.m. at Frying Pan Farm Park. Our first concert is "The Company Store", featuring ol' time fiddling and country humor. Bring a blanket and a picnic to enjoy the music and features at the Farm including the new carousel. In addition, the [farmers markets](#) featuring the best in local grown fruits, vegetable and other tasty items are open in multiple locations in Hunter Mill.*

*As always, contact me if I can be of any assistance. I look forward to hearing from you.*

*Cathy Hudgins*
